**Release Notes:**

Kaato Music's 23rd release comes by labelhead Björn Wilke, and features two sunny house and techhouse tunes. Whilst Cumbuco is a pure brasilian flavoured piece of funky house music, Mendrum represents the driving percussive techhouse of south american open airs. As a very spezial bonus on top, nobody less than „man of the moment“ M.in from Desolat delivers a top notch techy version of Mendrum, ready to rip off dance floors around the globe. Summer in all it's facettes, a piece of tender filet for either clubs and open air floors. Enjoy your meal!
